+ INB 301/MKT 321 should be completed before the two International Business Core Electives and Experiential Requirement.

Counts as an Upper Division B.B.A. Core Requirement.

(W) Counts as a Writing-Across-the-Curriculum course for university requirements.

† This suggested program of study assumes that the student has very little to no training in the language being used to fulfill the proficiency requirement. Those able to start instruction at a higher level of proficiency will need one or more additional elective courses in order to reach the 128 credits required to graduate with a BBA. International Business majors are strongly advised to obtain these credits through further language instruction.

Taking coursework in each of the following three categories (as indicated below), students must earn a total of at least 12 credit hours:

International Business Core Electives (must select two courses)

ACT 460 International Acct (3)	INB 493 Special Topics (3-4)*	MLR 487 International Mgmt (3)
