

# AHANA Programs & Services

## AHANA Game-On

Social activities held throughout the academic year to help students and staff get to know each other, interact in an informal setting, and foster a sense of community.

## AHANA Mentee Gram

A monthly online newsletter published by the AHANA Program Peer Mentors

## AHANA Retention Book Grant

An effort to assist *active* AHANA Program undergraduate students who demonstrate consistent academic progress toward their bachelor's degrees.

## Annual Recognition Dinner

An annual celebration of the achievements of AHANA Program students.

## F.O.C.U.S.

*(Friends on Campus United to Study)*

Study groups composed of AHANA Program participants who assist each other in bolstering academic success. The groups are open to all students who wish to participate.

## Grub-N-Gab

Activities held to provide opportunities for sharing in others' cultures.

## Peer Mentoring

A structured program designed to assist in the academic, social and personal acclimation to CSU by pairing first-year AHANA Program students with a trained upper-class peer mentor.

## Real 2 Reel

Feature films that exemplify the achievements and struggles of persons of color.

## Running S.T.A.R.T.

*(Striving Toward Academic Readiness Together)*  
A free non-residential mini-summer bridge program held in August to assist incoming AHANA Program freshmen with their transition from high school to college.

## Second Lap

A variety of programs and opportunities designed to meet the needs of our second-year AHANA Program participants through social interaction, career exploration, and academic initiatives.

## Sistas' Voices

A forum sponsored by NIA: *Black Women's Initiative* for women to explore issues concerning women that build support, networks, and enhance self-concept.

## TIPS

*(Transition, Involvement, Persistence, Success)*  
A series of workshops that are specific to student's third-year experience, including: exploring graduate schools, clarifying values and interests, finding internships, researching career options.

## Tips on Tuesday

Peer workshops focused on information to enhance students' college experiences outside of the classroom.

## Tools You Need To Succeed

Peer facilitated workshops designed to assist students in developing proven study skill techniques. The workshops are open to all students but are mandatory for all new AHANA mentees.

## Who's In Your Circle?

Inspirational networking events to encourage, enlighten and influence Black males to network and utilize resources of support to enhance and ensure their academic and professional success.
