

# 2011 Shop With a Cop

Photo 1 of 11

On December 10, the Cleveland State University Police Department joined police departments across Cuyahoga County in the Shop with a Cop program. Donations were accepted and raffle tickets were sold leading up to the event sponsored by the Fraternal Order of Police. Thanks to donations from Department members and the CSU community, CSUPD provided Christmas presents to needy children in the City of Cleveland this holiday season. For every \$110 raised, one child got to go shopping with a CSU Police Officer. The day began for the kids with donuts and juice. Next the kids got to ride in a procession of police vehicles to Walmart. The kids got to try out the police car lights and sirens. The children received a gift card to spend on whatever Christmas gifts they wanted for themselves or their families. After the shopping, there was a pizza party.
